

5th: Color Wheel

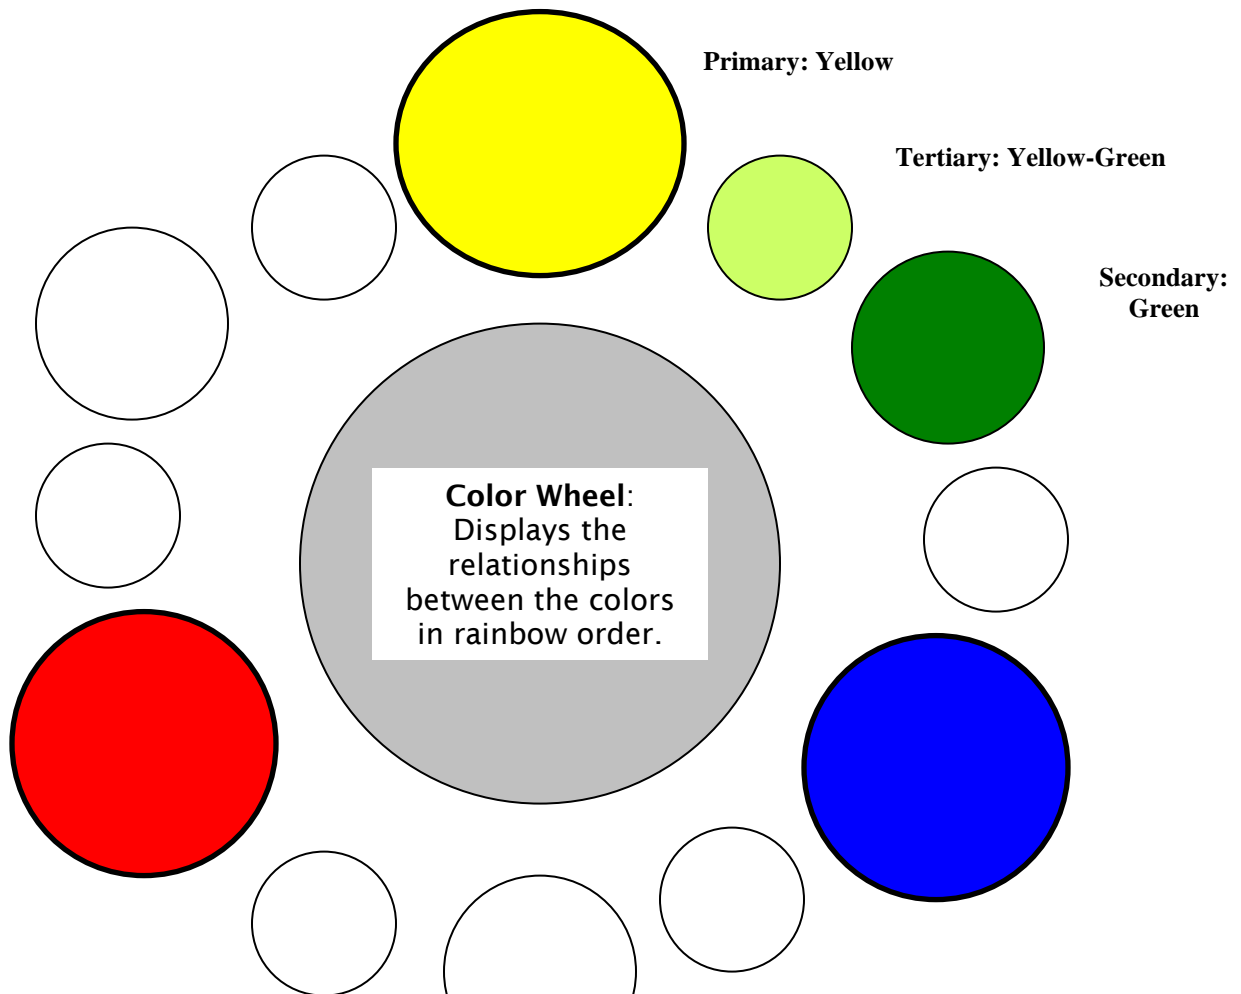

Name: _____

Directions: Click the blue button to view the instructional video

Label and then color, with crayons, the order that the colors would appear on the color wheel.

1. Label the 2 remaining *secondary colors in the mid sized circles.
2. Label the 5 remaining *tertiary (intermediate) colors in the smallest circles.

***Primary Colors:** Cannot be mixed from other colors. These are red, yellow and blue.

***Secondary Colors:** Two primary colors mixed together.

***Tertiary (Intermediate) Colors:** One primary and one secondary color mixed together. Remember, these colors are hyphenated as in red-orange, blue-green, etc.
