One morning Penny wanted to go skating. She sat down on the steps in front of her home and put her mother's old skates on. This was her first time using skates.

She was doing a good job skating until she was going to fast down the sidewalk. Her brother Billy told her to slow down. Penny tried to slow down but couldn't.

It was to late for Penny to slow down. Her one skate came loose and shot out in front of her.

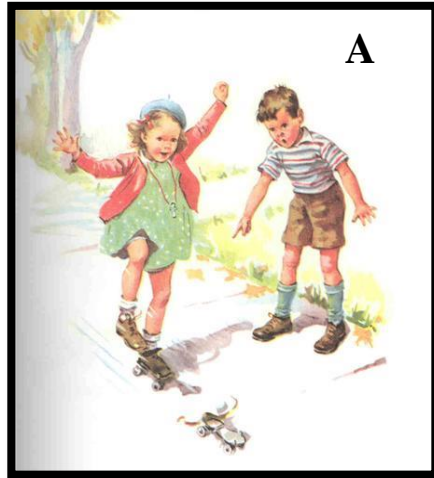

Penny tried to stay up and was doing a good job riding on one skate. Billy said "Way to go Penny."
