

Lesson 4 Picture Graphs and Story Problems NAME \_\_\_\_\_

Directions: The video will provide you with directions and answers. Look at the picture graph presented below and place the answers for each question in the space provided. Each book picture = 5 books

1. Irene has how many books in her class? \_\_\_\_\_
2. Patty has how many books in her class? \_\_\_\_\_
3. Julie has how many books in her class? \_\_\_\_\_
4. Christi has how many books in her class? \_\_\_\_\_
5. Olivia has how many books in her class? \_\_\_\_\_

1. How many books do Irene and Patty have together?  
\_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_
2. How many more books does Olivia have than Christi?  
\_\_\_\_\_ - \_\_\_\_\_ = \_\_\_\_\_
3. How many fewer books does Irene have than Patty?  
\_\_\_\_\_ - \_\_\_\_\_ = \_\_\_\_\_
4. How many fewer books does Julie have than Olivia  
\_\_\_\_\_ - \_\_\_\_\_ = \_\_\_\_\_
5. How many books do all 5 teachers have together?  
\_\_\_\_\_ + \_\_\_\_\_ + \_\_\_\_\_ + \_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_
