

LESSON 1 Understanding Division

Name _____

Directions: Click on the video button to obtain the directions and answers for this lesson. Please look carefully at each problem and read what needs to be done. You will divide each set of pictures and write the following: Total – Total in each group – and the number of groups. Draw a square around each picture illustrating the number of groups and the total in each group.

Example: Divide into groups of 3

Total items	items in each group	number of groups
12	4	3
_____	_____	_____

1) Divide into groups of 3

Total	Items in each group	groups
9	3	3
_____	_____	_____

2) Divide into groups of 4

Total	Items in each group	groups
16	4	4
_____	_____	_____
