

LESSON 4 Understanding Divisions

Name _____

Directions: Click on the video button to obtain the directions and answers for this lesson. This lesson is related to Lesson 1, 2, and 3. You are presented with three areas of division. (1) Total amount (2) Number of groups & amount in each group. Each problem will have one of the three missing. You must determine what the answer is for the one that is missing.

Prob.	Total Amount	Number of groups	Amount in each group
1	10	2	
2	12		6
3	25	5	
4	18		6
5		10	2
6	30		10
7	21	7	
8	49		7
9		6	8
10	54	9	

Word Problems – Using the concept you used above place the answer below.
