

## Lesson B Multiplication as repeated addition

Name \_\_\_\_\_

*Directions: Click on the video button for directions and answers. Look at each problem listed below and solve for addition and multiplication equations.*

Write How Many

How many groups? \_\_\_\_

How many in each group? \_\_\_\_

Write as addition.

\_\_\_\_ + \_\_\_\_ + \_\_\_\_ = \_\_\_\_

Write as multiplication.

\_\_\_\_ X \_\_\_\_ = \_\_\_\_

How many groups? \_\_\_\_

How many in each group? \_\_\_\_

Write as addition.

\_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ = \_\_\_\_

Write as multiplication.

\_\_\_\_ X \_\_\_\_ = \_\_\_\_

How many groups? \_\_\_\_

How many in each group? \_\_\_\_

Write as addition.

\_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ = \_\_\_\_

Write as multiplication.

\_\_\_\_ X \_\_\_\_ = \_\_\_\_

How many groups? \_\_\_\_

How many in each group? \_\_\_\_

Write as addition.

\_\_\_\_ + \_\_\_\_ = \_\_\_\_

Write as multiplication.

\_\_\_\_ X \_\_\_\_ = \_\_\_\_

How many groups? \_\_\_\_

How many in each group? \_\_\_\_

Write as addition.

\_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ = \_\_\_\_

Write as multiplication.

\_\_\_\_ X \_\_\_\_ = \_\_\_\_

[Extend Page](#)

- 6) Penny has 2 bags. She puts 5 candy bars in each bag.

How many candy bars does she have altogether? \_\_\_\_\_

Write your two equations below

\_\_\_\_ + \_\_\_\_ = \_\_\_\_      \_\_\_\_ X \_\_\_\_ = \_\_\_\_

- 7) Billy has 3 bags. He puts 10 candy bars in each bag.

How many candy bars does he have altogether? \_\_\_\_\_

Write your two equations below

\_\_\_\_ + \_\_\_\_ + \_\_\_\_ = \_\_\_\_      \_\_\_\_ X \_\_\_\_ = \_\_\_\_

- 8) Billy has 3 bags. He puts 9 candy bars in each bag.

How many candy bars does he have altogether? \_\_\_\_\_

Write your two equations below

\_\_\_\_ + \_\_\_\_ + \_\_\_\_ = \_\_\_\_      \_\_\_\_ X \_\_\_\_ = \_\_\_\_

- 9) Billy has 4 bags. He puts 10 candy bars in each bag.

How many candy bars does he have altogether? \_\_\_\_\_

Write your two equations below

\_\_\_\_ + \_\_\_\_ + \_\_\_\_ + \_\_\_\_ = \_\_\_\_

\_\_\_\_ X \_\_\_\_ = \_\_\_\_
