

## Lesson 2 Multiplication Table (Differentiated Lessons) harder

Name \_\_\_\_\_

### Directions:

Clicking on the video button at the top will allow a video to be displayed to assist you with this assignment. Pause the video to begin work on the lesson. When you have completed the lessons continue the video and it will provide you with the answers. This first lesson will have quite a few of the table filled in for you. You are to fill in the blank spaces in hopes that you will learn your multiplication tables a little easier. It is essential that you know your tables in order to pursue higher mathematic skills and help you later in life.

	1	2	3	4	5	6	7	8	9	10	11	12
