

Directions for writing a story:

You will discover we have placed slides on the power point in reference to ideas that a student may wish to write about. You will find slides for the following:

1) Home 2) Classroom 3) Fantasy 4) Halloween 5) Thanksgiving 6) Christmas

- 1. Student will find we have provided a text area for them to write on for each slide.***
- 2. If a student needs an additional slide click on the main slide on the left and hit CONTROL D and that slide will be duplicated. They only need to delete what they written that was copied and continue with their story.***
- 3. You may printout one slide or several change being selective when you hit print, you will see a menu is provided for you. You may convert a slide to a jpg if needed.***
