

## Lesson 2: The Rock Cycle

Name: \_\_\_\_\_ Class Period: \_\_\_\_\_

Directions: The lesson below will help you better understand the processes that make up the rock cycle. You will use the word bank below to fill in the diagram of the rock cycle. You can use the phrases in the word bank more than once! If you are on a computer, clicking the button in the top right hand corner, you will be able to access a video to explain these processes. You can also use a phone or tablet to scan the QR code at the top right for a video explanation.

### Word Bank

- Melting
- Weathering/ Erosion
- Cooling
- Compaction
- Extreme Heat/ Pressure
