

Lesson (B) Watermark

In this lesson you are the author and have been assigned the task of preparing an announcement for the upcoming field trip to the Planetarium. Your announcement must contain the following:

1. Planetarium Field Trip
2. You choose the date and time. (During a school day of course)
3. When does the bus leave and where should everyone meet.
4. One of the headings should be Reach for ... Stars (this line should be in font Ravi - 36).
5. Also you must place on the flyer the facts listed below:
 - a. The facilities include simulator, lecture halls, virtual rooms and planetarium.
 - b. Learn about space travel to Mars from the NASA presenters. There will also be present two former astronauts.
 - c. Bring a lunch.
 - d. Call 589-9147 if you have any questions.
6. A photo of one of the following should be on the flyer:
 - a. Telescope
 - b. Mars
 - c. Space travel in general.
7. You will need to place a water mark on this announcement
 - a. Go to **PAGE LAYOUT**
 - b. Choose **WATERMARK**
 - c. **CUSTOM WATERMARK**
 - d. Choose **TEXT WATERMARK**
 - e. English
 - f. The words **Science Field Trip**
 - g. Font Times Roman (or whatever you prefer)
 - h. Size Auto
 - i. Any color you desire.
 - j. Diagonal
