

“Lessons for WORD WALL”

*This course is designed to provide educators the flexibility of 24-hour access to instructions, working at your own pace. You will not have a face-to-face meetings or online sessions with this course. The website that I have created will provide you with all the instructions needed with examples. Please email me your phone number, Name of school and what grade or subject you teach, upon registering for the class. I will provide a call to clear up any questions you may have. Registration may take place at any time during the year. There is not a set beginning or end time. You must finish by the date we have posted on the Classes web page “Classes”. Teachers may choose to take (start) this class at any time prior to the ending date. The span of time needed to complete the course is normally **three** weeks from the date that you start the class. If you need more time just email me to adjust with you.*

*When you go to the WORD WALL WEBSITE you may create **5 free lessons**. Only **4 are needed for this course**.*

*As a professional, you need to create **Four (4) lessons**. Depending on your grade level and subject. If you are teaching multiple disciplines such as in elementary school you **may provide four (4) different lessons** example (Math, Science, Social Studies, Language Arts). If you are teaching one discipline in Middle and High school. You need to create **four (4) lessons for your subject**. (Each lesson may be emailed to me by sending me the link and name to each lesson.) This will allow me to place your lesson on the website and obtain the full effect of what you created.’*

On the webpage, I have created for this course; you will discover the following: I have listed a webpage with some examples templates you may use.

Please remember after sending me your lessons for your grade, I may place it on my website as an example to other educators to use.
