

## Directions for synching iPads

Use this you purchased 2 to 10 iPads. This will allow you to place apps on one and it will then allow you to copy those to your other iPads.

1. Go to Settings
2. Go to iTunes & App Store
3. Sign In to iTunes
4. Where it says Automatic Downloads turn **APPS ON**

**You must be signed in on iTunes & App Store on ALL devices when downloading app.**

**To see apps downloaded:**

1. Click on App Store
2. Purchases
3. Downloaded apps will be listed.
