

Making 10

Write the numbers below that make 10

Problem 1

A  $\underline{\quad} + \underline{\quad} = 10$

B  $\underline{\quad} + \underline{\quad} = 10$

C  $\underline{\quad} + \underline{\quad} = 10$

Write the value of the base ten blocks below on the red line. Then place a circle around $>$ $<$ $=$ (Greater than - Less than or equal to). Problem 2

A

$\underline{\quad}$ $>$ $\underline{\quad}$
 $\underline{\quad}$ $<$ $\underline{\quad}$
 $\underline{\quad}$ $=$ $\underline{\quad}$

$\underline{\quad}$ $\underline{\quad}$

B

$\underline{\quad}$ $>$ $\underline{\quad}$
 $\underline{\quad}$ $<$ $\underline{\quad}$
 $\underline{\quad}$ $=$ $\underline{\quad}$

$\underline{\quad}$ $\underline{\quad}$

Word Problem 1 Problem 3

Tim has 10 baseball cards and Joe has 5 baseball cards. How many cards do they have in all? Write the equation below.

$\underline{\quad} + \underline{\quad} = \underline{\quad}$ baseball Cards

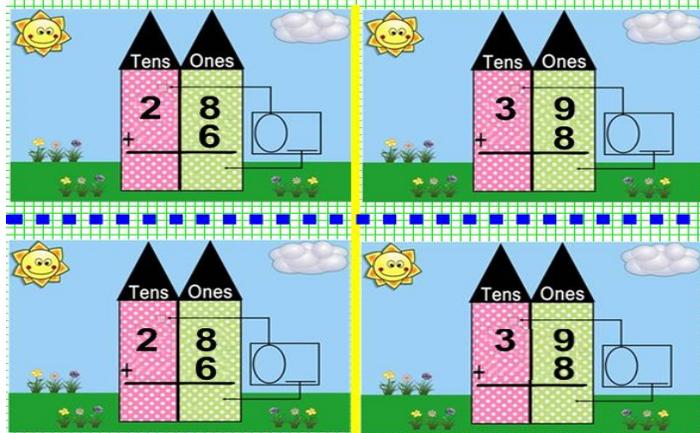

Word Problem 2

Nick had 20 Oreo cookies for school. Nick ate 5 on the bus ride to school. How many cookies did he have left? Write the equation below.

$\underline{\quad} - \underline{\quad} = \underline{\quad}$ Oreo Cookies

REGROUPING

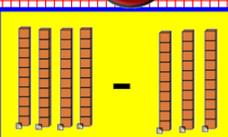

PROBLEM 4

Subtract the base ten blocks below to get a total.

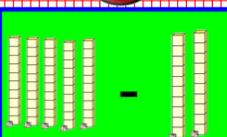

Prob. 5

A

$40 - 30 = \underline{\quad}$

B

$50 - 20 = \underline{\quad}$
