

CREATING A CARTOON IMAGE FROM A PHOTO

1. Save your photo to the computer or flash drive
2. Click on the link to the free Photo Cartoon Converter
3. Click where it says choose file
4. Wait a few seconds then click on **THE WORD CARTOONIZEONLINE**
5. Your photo will appear and on the left you may scroll down and decided which image you like the best.
6. NewCartoon is very nice try it
7. Disney2D will present two large eyes
8. Disney3D is good also
9. **NEXT** place your mouse in the midde of the picture and right click on the mouse and copy your image to **WORD, POWER POINT SLIDES** where ever you want
10. You will discover an icon on the top of the face.
 - a. To cover it up you may use a text box and write something or insert a shape
 - b. You will discver a face lower left. You may create a text box and cover the face up and type some information there also.
11. Once you are done print it out or save it to your computer or flash drive.
