

Lesson 4-5 Skip-counting

Name _____

Starting at 4 then 5, skip-count, and fill in the missing numbers. Do not turn over your papers until you are told to do so on the video. You may do this at home by printing out the worksheet at school or home and logging onto the lesson on the technology website. Click on the Yellow button for Blending then your grade and then the link to Multiplication. Bring up the lesson on the computer or smart phone then click on the blue button. And away you go.
