

Creating a Digital Lessons

Placing video lessons on your YOUTUBE account

You have this option which is easier than placing the videos on your Google account. It will do the following for you.

1. Save you storage space in your google account.
2. It will eliminate a big four steps process involved with your google account and hyperlinking videos.
3. You will not need to create a QR Code for your video lessons.

I am going to list the steps need to do this for you and also provide you with a video in detail for each of the following steps. Once you have done this once you will find it very easy to do a second time.

-
1. Create a google account
 2. Once the account is created click the google apps icon at the top 
 3. You will then click on youtube icon
 4. Create your youtube account.
 5. Complete your lesson, create the video, (you are provided with a video and a video program to create your lesson on a video on this webpage). Make sure you paste the video button on the top of your lesson as you will place a hyperlink to your video there.
 6. Save your video in the same folder as your lesson. Make sure you know where this folder is located (where you saved it).
 7. Go to (YOUTUBE) and use the upload arrow find your video. Just click on the video and hit open.
 8. As the video is being uploaded you will discover a link has been created.
 9. Copy that link go to your word document with the lesson and video button. (Control C).
 - a. Click on the video button
 - b. Go to insert and hyperlink and paste the link to that button (control V).
 - c. Save your lesson.
 - d. Save your lesson a second time as a PDF file.
 - i. By saving it as a pdf file the student may bring the lesson up on a computer, and click on the button and the button link will open up the video that you created for the lesson and saved on YOUTUBE.
 - ii. IF you do not save it as a PDF the student will NOT be able to click on it and bring it up as a video.
 10. You have completed your video lesson allowing students to obtain a video lesson at home as well as at school.
