

“Stories in PDF Format”

This course provides you the flexibility of 24-hour access, working at your own pace. There are no face-to-face meetings or online chat sessions. You must email me your phone number upon registering for the class. I will give you a call to clear up any questions you may have.

Registration may take place at anytime during any session. There is not a set beginning or end time. You must finish by the date we have posted on the Classes web page “**Classes**”. Teachers may choose to take (start) this class at any time. The span of time to complete the course is over **Six** weeks from the date that you start the class to date posted on the web page “**Classes**”. Adjust according if you sign up closer ending date for this class. As a professional, you may wish to choose your assignments from the state standards or something that is special that you wish to teach in your class. In reference to a rubric for this course, please do not submit anything to me with a perception you did it in only a few minutes with idea of a quick credit. If you need assistance with an idea I am more than willing to work with you. You are required to email me the following information asked to earn credit when you complete the class:

- ◆ Your Name
- ◆ Stories Placing at least one photo to focus the story about and no more that 3 to add to the effect of the story.
- ◆ **These ideas will become clear after you check out the website. [Click here for website](#)** Please submit as attachments. Your lessons that will pertain to the grade level you are teaching. Create something that you will really use and not just for this course. I will publish all lessons that I consider may be used by other teachers as a resource. Please wait until you have completed all lessons prior to sending them via email.
- ◆ In your email please describe briefly how your lesson may be used.
- ◆ Each Lesson must contain the following: List the items below in the header section of the document.
 - a) Name of Lesson
 - b) Grade Level
 - c) You may show your story lesson to your class as an example allowing them to see what is expected from them.

It would be best and easiest if you use Microsoft word. All lessons submitted for this course maybe used by other teachers. You will find “user-friendly” digital videos explaining not only how to use word but examples are provided for all lessons.

When I witness that your lesson created by you is successfully completed, I will submit your passing grade to Ashland that same day. The grade will be an **S**

The fee for graduate credit is listed on the web page. If you have not already done so you may go back to the web page and look for the link that says “**Register Here**”. **I do all lessons for free. You only need to pay Ashland.**

Thanks for your interest. I will be more than pleased to answer any other questions you may have or help you out in any way.
