

# The song

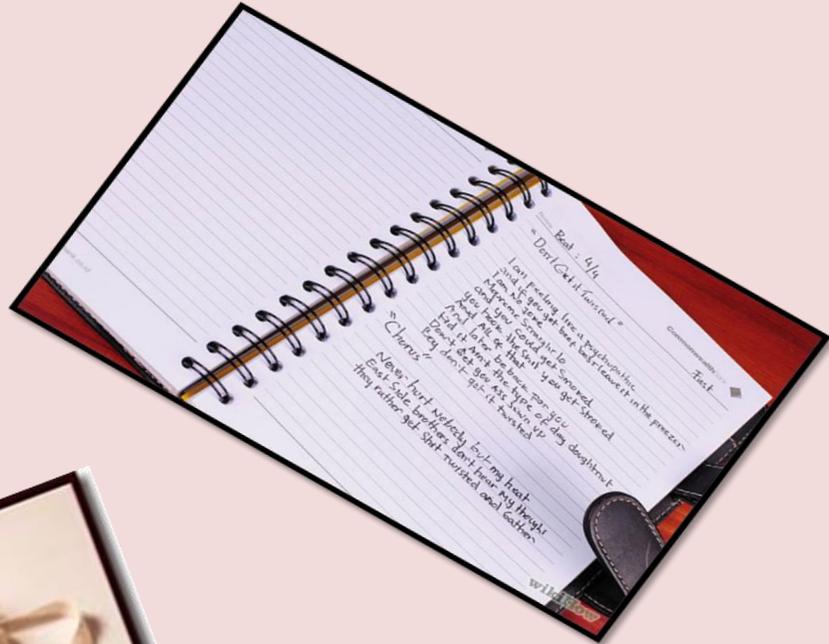

By Alyssa Maynard

So I was going to be in the talent show dancing when my friend is singing we wrote a song together and called it Forever.

So when I was working on my dance  
Rachel was working on the song.

We had a week to get ready and we had finished the song and the dance. That my costume for the show .

So it came  
to the night  
of the show  
and Rachel  
and I were a  
little scared  
about what  
people will  
say about it.  
Right before  
the show I  
was  
practicing

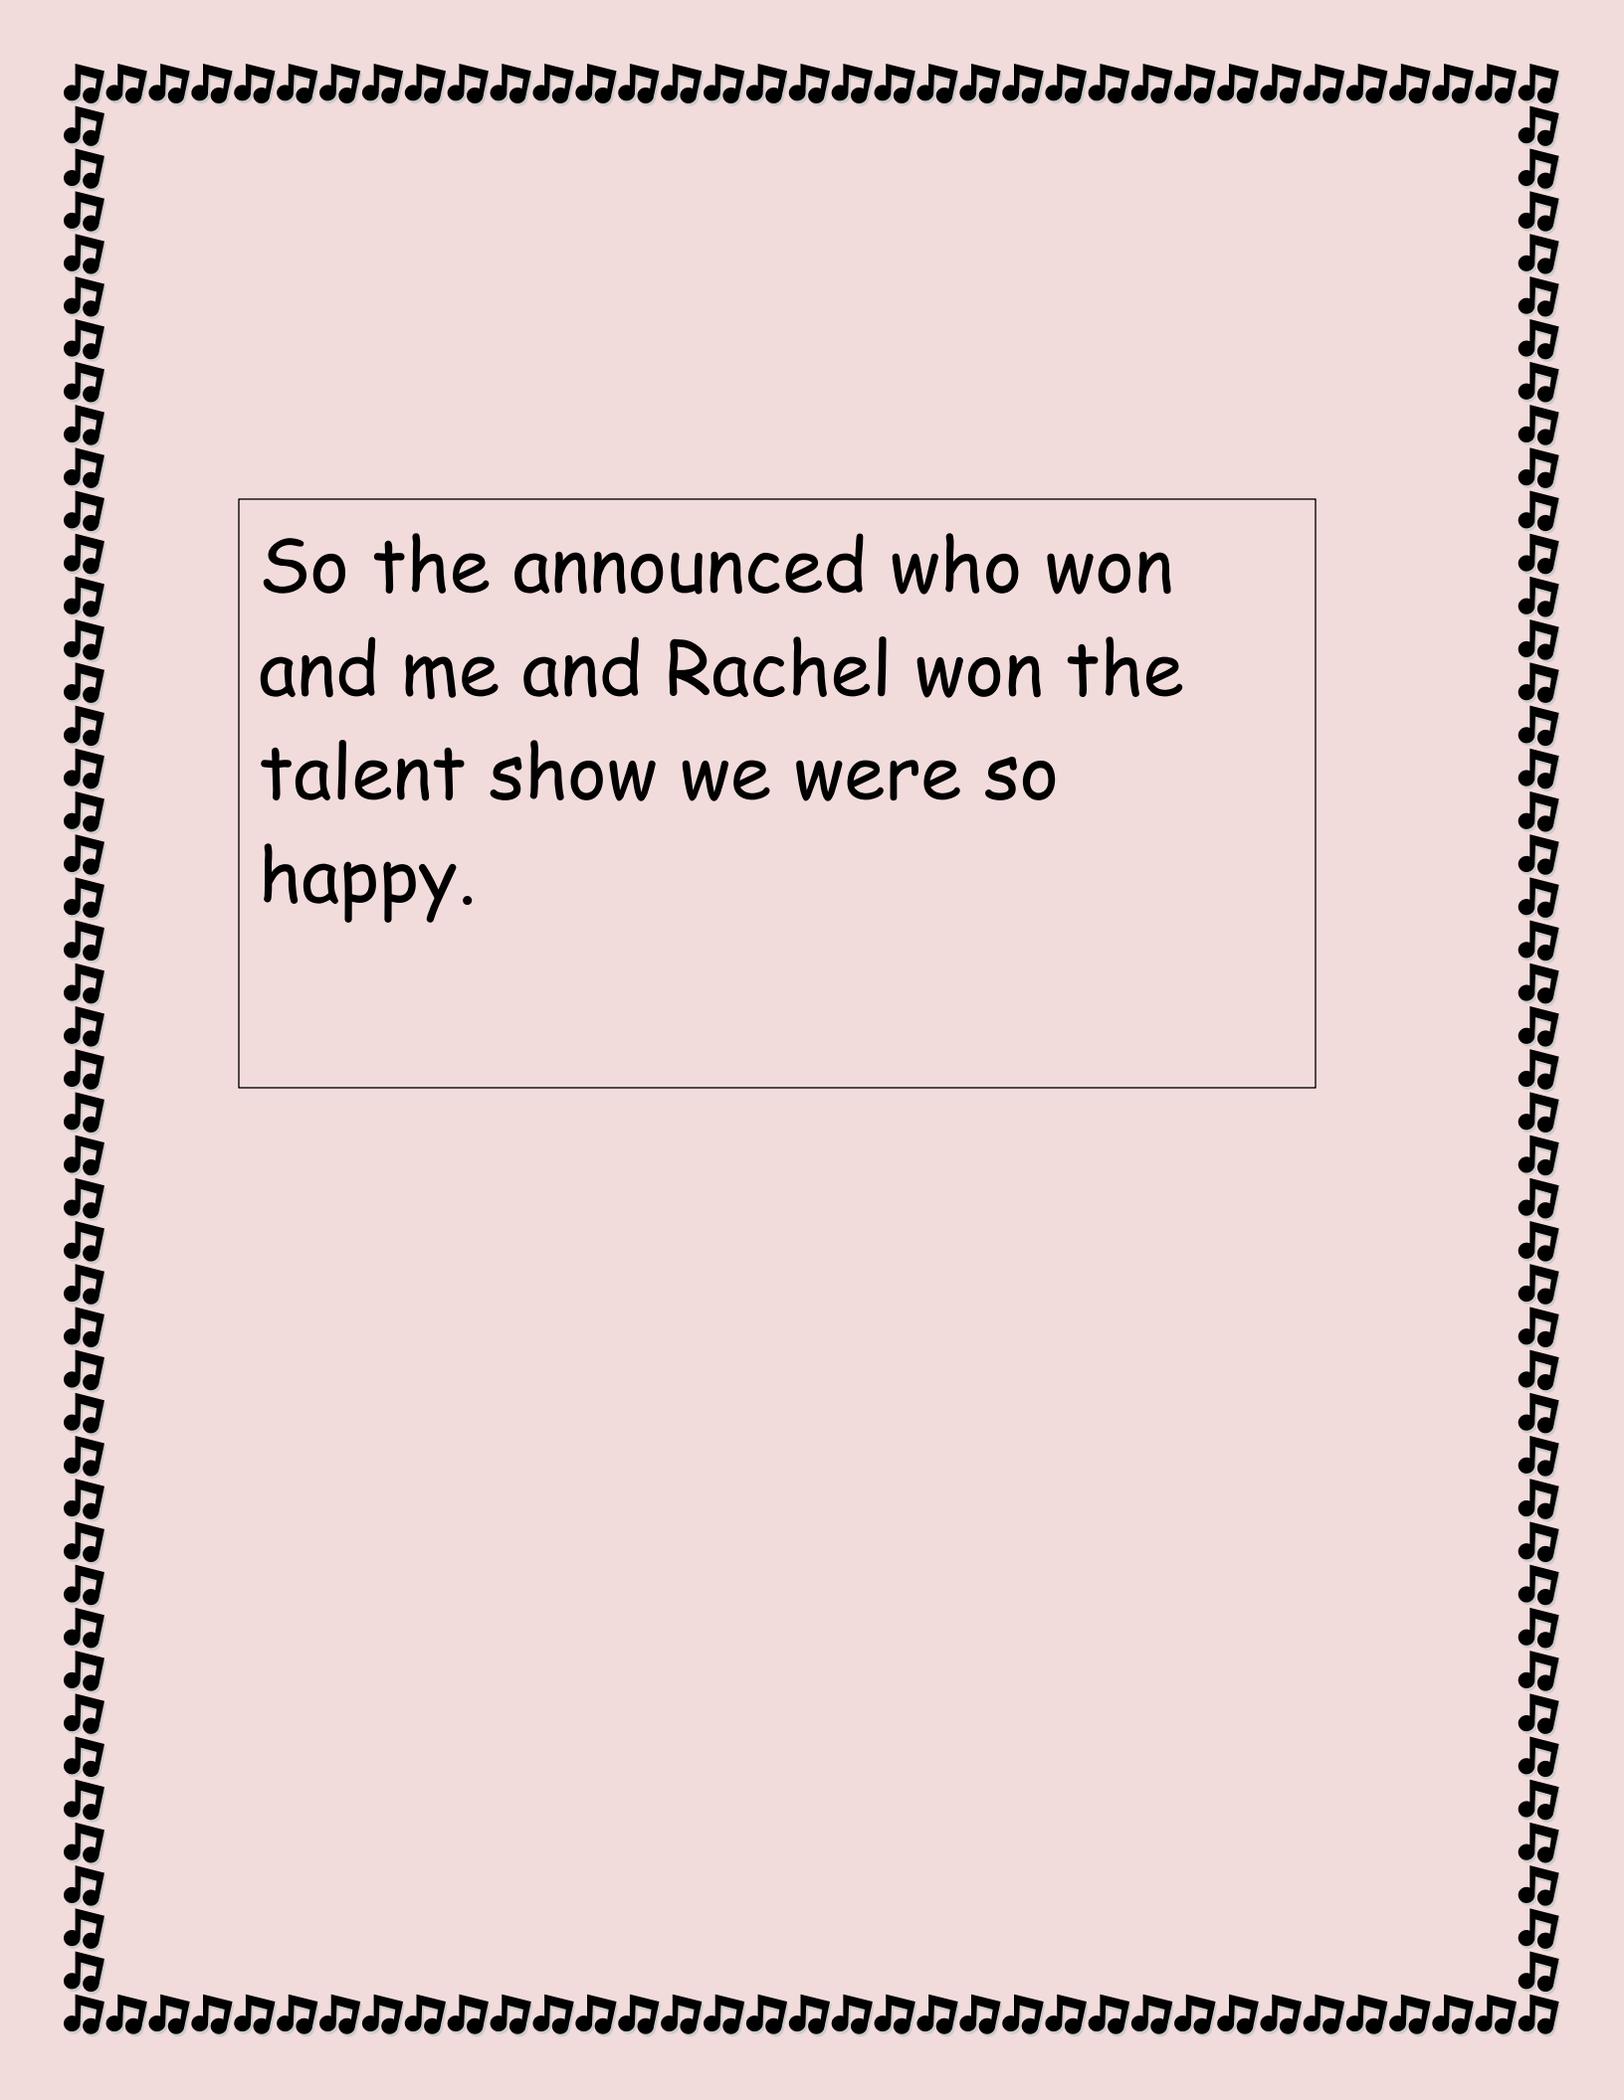

The show was hold at  
the theater down the  
street from the school.

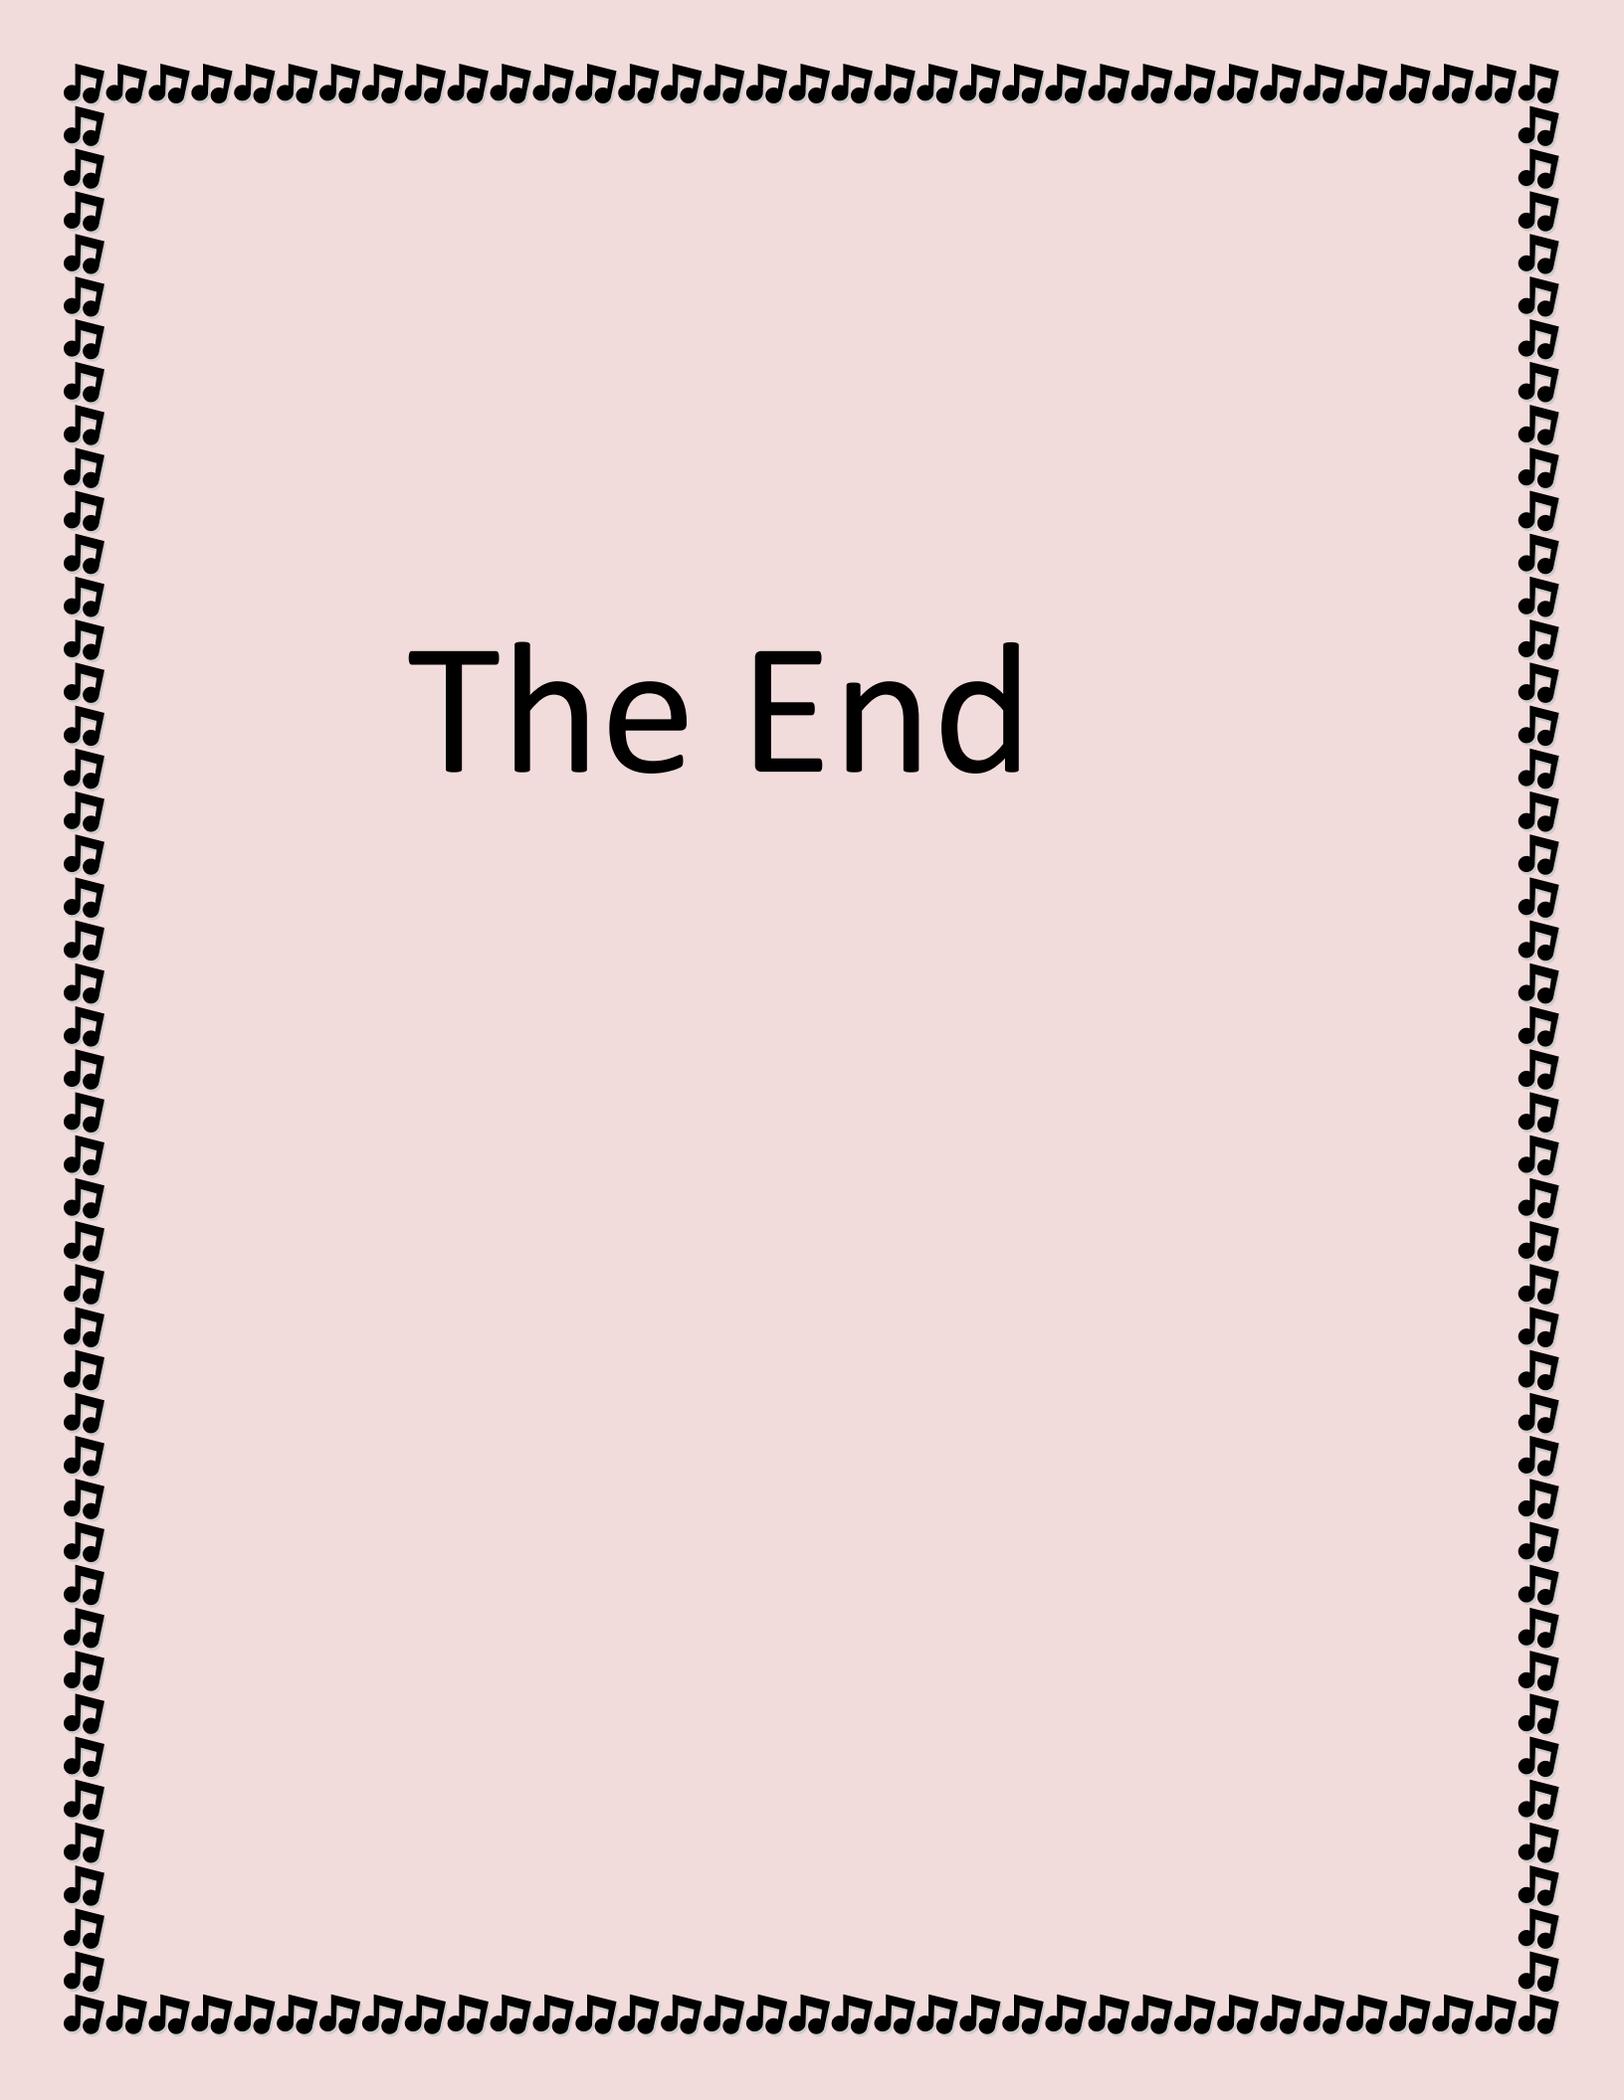

At the end there were drinks  
before announcing who won  
the talent show

So the announced who won  
and me and Rachel won the  
talent show we were so  
happy.
