They didn't like each other because the witch, Sierra took over the haunted castle and put a curse on the Adam's family.

Adam said,"How dear you come back to this castle,we ban you from ever setting foot on our ground!".

" I come here to seek revenge,you see, Halloween is exactly two hours away, and a full moon will be rising at the exact time as halloween.....

" I already did!", said Sierra. As she cast a spell at Erick. " I wish that Erick would end up in a desert!", yelled Sierra."Nooooooo!"

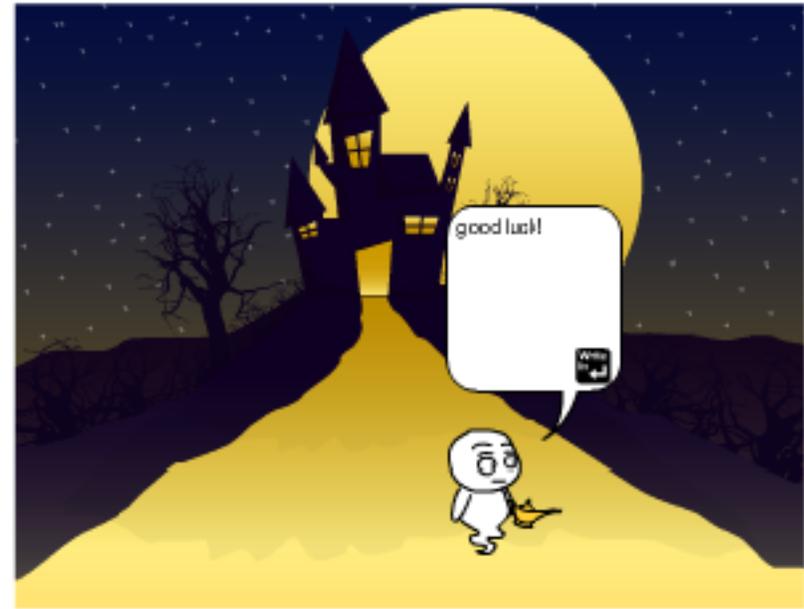

shouted Erick. " I have to find a way to get to the castle or i'll..... COOL! I found a genie's lamp, I finally can wish to get a ride home!"

" You have three wishes, use them wisley, but hurry the full moon is almost her, and I can't be out during it or I'll turn to stone and the

witch will take my powers!", said the genie. " I wish I would be back at my castle!", Erick faithfully said.

Erick ran into the castle, demanding Sierra to stop! She was waiting for the full moon, that was thirteen seconds away! I still had two more
